

Devin Alexander, Inc: Charity Request Form

Thank you so much for your interest in Devin Alexander's Charity Initiatives. There are so many wonderful and deserving causes; I sincerely wish that I could fulfill each and every request! Alas, however, I am just one girl.

Do note that we DO consider ALL requests and prioritize them in the order they are received in conjunction with where we feel I can make the greatest difference. Unfortunately, I would need a warehouse of books to begin to fulfill all book requests. I've personally donated 1,500 copies of *The Most Decadent Diet Ever!* to one charity event, donated more Devinly Delites™ than one could possibly count, emceed charity events, walked the red carpet for charities, volunteered my time one-on-one as a weight-loss coach, participated in numerous community outreach endeavors, and more!

I truly believe that happiness lies more in giving than receiving! In fact, I attribute my career to charity work that got my healthy decadent cuisine "discovered" by accident. So I definitely support and encourage your efforts regardless of whether I am able to personally participate in them!!

Please note that charity requests can only be considered when this form is filled out completely and emailed to helpme@devinalexander.com with "Charity Request" in the subject line. My team and I will consider them as soon as possible (do note that I travel often, so it's sometimes impossible to sort through requests quickly)-- please do not send us an email to any other email address within my organization with your request, as it will never make it to the correct person.

I wish you all the best in your wonderful charity endeavors!
